
Title: TREASURE MAP

Author:

Me Map, but I don't need
to say that, because if
it's anybody but me
what's looking at this, I
don't want to tell where
me treasure is, so read
no further, ye dog, lest I
leave yer fate to the
briny deep! This is
dead-reckoning right, but
I'm awfully drunk and
mebbe I'm holdin' this
thing upside-down.
98S,28W 33 Paces past
the rock, excludin' that
break I took fer drinkin'.
11 Paces east of the
whatever that blasted
thing is. 30 Paces, I
think, because I was
staggerin' about a bit and
I stumbled and lost me
count a couple o' times,
past whatever me stinkin'
map says is supposed to
be there; I was sober
when I drew that beauty.
Unless this is me what's
readin' this, I hope the
treasure's already gone,
ye thief!
